Earning Potential

Monthly

It's completely realistic to earn between R 21 000 and R 50 000 per month depending on the amount of time you are willing to spend within your business.

Per Session

In general, Life Coaches earn between R350 and R900 per session. This amount can be much higher if you focus on executive and corporate clients and even group coaching.

On Average

If you coach just 3 clients per day (a total of 3 coaching hours per day) you should earn +- R 21 000 per month for a total of just 60 working hours per month.

Yearly

You have the opportunity to earn between R252 000 and R600 000 per year.
